

Health & Commerce Weekly Pandemic Webinar Series

November 25, 2020

STEPS TO TAKE IF SOMEONE TESTS POSITIVE

- If you learn of a positive case at your business, contact the Health Department's Infectious Disease Epidemiology team. Call 802-863-7240 (Mon - Fri 7:45 a.m. - 4:30 p.m, choose Option 3, outside those hours, choose Option 7).
- If you are contacted by the Health Department because a risk has been identified at your business, the team will walk you through the next steps.
- If you believe your establishment has been exposed to COVID-19, please call the Health Department at 802-863-7240.
- The team will follow up with everyone who tests positive, calculate the period of time when they were contagious, and find out what locations they visited during that time. The team works hard to determine which locations may have been at risk, based on their expertise and knowledge of how the virus spreads. You can learn more about the [steps the Health Department takes\(link is external\)](#) to quickly respond when someone tests positive.
